

PARTNERS ALBANIA SERVICES

FOR FOREIGN AGENCIES & DONORS

ABOUT US

Partners Albania for Change and Development is a trusted local partner supporting foreign agencies and donors in designing and implementing locally grounded, high-impact development programs.

With over two decades of experience, we ensure strategic alignment, operational efficiency, and compliance across Albania and the region.

Partners Albania is the managing organization of the National Resource Centre for Civil Society in Albania, a national-level platform for coordination, capacity building, and advocacy, enhancing our ability to connect donors with capable, trusted, and networked local actors.

OUR SERVICES

Stakeholder and Ecosystem Mapping

Sector-specific and thematic mapping providing visibility into relevant actors, networks, and power dynamics.

Benefit: Identifies strategic entry points and prepares for political or regulatory shifts.

Grants Management & Intermediary Support

Management of sub-granting cycles, transparent selection, donor-aligned monitoring, and digital grant platforms.

Benefit: Promotes efficient fund use, strengthens partners, and enhances transparency.

Program Contextualisation and Intervention Design

Full-cycle, co-designed interventions including needs assessments, feasibility studies, and theory of change workshops.

Benefit: Ensures relevance, feasibility, and long-term sustainability.

Impact Assessment and Policy Analysis

Tailored evaluations using custom MEL frameworks and policy briefs.

Benefit: Improves program effectiveness and donor accountability.

Due Diligence and Risk Assessments

In-depth institutional and legal assessments for informed decision-making.

Benefit: Reduces funding risks and ensures compliance.

Strategic Communications & Stakeholder Engagement

Engagement narratives and virtual platforms to amplify visibility and trust.

Benefit: Enhances engagement and credibility.

APPENDIX: OUR TECHNICAL CAPABILITIES & TRACK RECORD
